

# DEVELOPING TOGETHER

SOCIAL WORK  
TEACHING PARTNERSHIP

Please see the table below for the current work opportunities available in Teaching Partnership (TP) agencies to support during the Covid-19 emergency. Our other partner agencies are currently assessing their needs and the information here will be updated to reflect new opportunities as they become available. When submitting your [Expression of Interest](#) to the TP, you **are** able to indicate a preferred agency that does not appear in this table below. We will still share your application with that agency for them to consider. Expressions of Interest should not be sent to the agencies directly; please send to [admin@developingtogetherswtp.org.uk](mailto:admin@developingtogetherswtp.org.uk)
