Social Work Awards 2020

The Awards are to recognise and celebrate the achievements of social workers within the Partnership and promote the work of those in the social work profession.

Social work is one of the most demanding, yet misunderstood, professions. For every negative story that we read about, there are thousands of positive ones that remain unheard.

This is a challenging and diverse sector and we believe that social workers should be recognised for all their hard work and dedication in helping to transform people's lives.

Do you know someone who deserves recognition for their excellent work?

If so, please nominate them using [this form](#).

The list of categories and their descriptions can be found [here](#).
