Enabling and Assessing Social Work Learners

Enabling and Assessing Social Work Learners 2025-26- Primary Partners

These workshops are delivered by Ulrike Nebel, Dale Van Graan and our new Partnership Practice Consultant.

EASWL workshops will provide a refresher on relevant assessment frameworks such as the PCF, supervision and assessment skills and anti-oppressive practice in practice education. Sessions will be interactive, combining a mixture of presentation and group work.

They are suitable for all practitioners involved in enabling and assessing social work learners such as experienced Practice Educators in need of a refresher/update on current practice, newly qualified PEs, PEPS trainees and On-site Supervisors.

Please note that the majority of the content will also be relevant for ASYE assessors and Mentors/OSS of apprentices, however, assessment frameworks will focus on student levels and not ASYE level. The workshop will not address social work (integrated degree) apprenticeship standards as Kingston University provides separate workshops for apprenticeship mentors and OSS of apprentices.

The content of the sessions have been updated based on feedback obtained from last year's sessions, learning from Practice Assessment Panels (PAP) and Quality Assurance in Practice Learning (QAPL) Reports.

We will be offering a variety of online and in-person sessions **(in-person sessions are for Primary Partners only)** covering the following topics:

1. Assessing and Evidencing Values and Ethics
2. Developing and Assessing Professionalism in learners
3. Struggling Placements: Working positively with social work learners
4. Planning for and Working with Individual Difference
5. Supervision skills for reflection and analysis
6. PCF/KSS Workshop for Assessors

*Primary partners are: Achieving for Children, Croydon Adults, Croydon Children, Kingston Adults, Merton Adults, Merton Children, Richmond & Wandsworth Adults, Surrey Children, Sutton Adults, Sutton Children, NSPCC, Wandsworth Children, Welcare and Kingston University

Enabling and Assessing Social Work Learners 2025-26- PVI and Secondary Partners

PVI and secondary partners* will be able to access our online workshop provision. These sessions are open to practice educators, practice assessors and on-site supervisors.

Please note that most of the content of these workshops will be relevant for apprenticeship mentors, but please note that they will focus on PCF/KSS rather than the apprenticeship assessment framework

ASYE Assessors may also benefit from the content but should be aware that the PCFs mentioned will be at student placement rather than ASYE level.

Assessing & Evidencing Values & Ethics

“The Social Work Placement Journey”

Date TBC

Target audience: This full day training is suitable for qualified Practice Educators (PEs) in need of refresher training due to not having practiced or attended relevant training for some time. Completion of this training day will serve as evidence of having refreshed their qualification.

It will also be relevant to PEs and onsite supervisors who have been unable to attend other relevant training/workshops on offer through the Teaching Partnership over the last 12 months.

Please be aware that if you have attended other recent in-person or online workshops that covered the topics below content might be similar.

Topics and Learning outcomes relating to key points during the placement:

Preparation- off to a positive start

- Explore the importance of preparing for a placement and PLA meeting
- Develop a greater understanding of working with individual differences (with a focus on dyslexia)
- Explore the importance of creating a ‘safe space’
- Anti-oppressive and anti-racist PE practice

Enabling and assessing

- Reflective supervision
- Promoting resilience and self-care
- Explore the importance of providing feedback
- Importance of PLE feedback- triangulation of evidence in assessments

Struggling placements

- Raising concerns- courageous conversations
- Developing SMART action plans

ASYE Assessor Provision

Knowledge, Skills and Tools for ASYE Assessors

The Teaching Partnership is able to deliver a full day training programme to support ASYE Assessors working in primary partner agencies. This training is relevant for anyone who has a role in assessing Newly Qualified Social Workers during their Assessed and Supported Year in Employment. The sessions will be delivered by our new Partnership Practice Consultant. Colleagues who are planning to be ASYE Assessors and those who are returning to the role after some time are strongly recommended to complete this training.

It is recommended that this training is co-delivered with colleagues from the partner agency who are managing or involved with the ASYE programme in their organisation.

If you are interested in attending this training, please register your interest with your organisation's Workforce/Teaching Partnership Lead.

Morning

This session will cover:

- Roles & Responsibilities
- PCF, Knowledge and Skills Statement
- Individual Difference
- Direct Observation

Afternoon

This session will cover:

- Supervision Skills
- Supervision Skills to Enable Reflection and Analysis
- Wellbeing and Resilience

The Black Voice of Social Work - Discussion Groups

All our partner agencies are taking practical action to address the role that they and the social work profession must play in addressing injustice and racism on an ongoing basis. To support this, the Teaching Partnership Team are continuing to co facilitate Discussion Groups - "The Black Voice of Social Work". All sessions will be led and co-facilitated by Black colleagues from across the Teaching Partnership. They will be supported by Ulrike Nebel from the Partnership team.

Fighting racism requires an ongoing joint effort and white allyship and creating awareness is key to achieving positive change, therefore these groups welcome anyone committed to anti-racism and to learning from Black colleagues/each other.

After a brief presentation from the facilitators, you will have the opportunity to discuss the topic in small groups. You will be invited to share feedback from these small groups, which may highlight learning that could support organisations to continue to develop their anti-racist commitment. Themes will be anonymised and shared with the Cross TP Equality, Diversity and Inclusion group to discuss how positive change can be achieved across our partnership.

Please see the following pages for the dates and links.

If you have any queries about the Discussion Groups, or if you're interested in leading/co-facilitating future sessions, please contact admin@developingtogetherswtp.org.uk

All sessions will be on Team. Click on the linked dates to access the Team meetings directly.

Post Qualifying courses

- Accredited post-qualifying courses are available through the Teaching Partnership's academic partner, Kingston University;
- If you are interested in a particular module or course, please first discuss with your line manager / local workforce development team;
- Sometimes there are sponsorship opportunities available through your agency or the Teaching Partnership, or alternatively there is the option to self fund. Most modules and courses are discounted for staff in partner agencies;
- More details can be found on the next slide
- For any questions about Kingston University's post-qualifying offer, please email pgsocialwork@sgul.kingston.ac.uk or phone 020 8417 5498

Other provision

- In addition to accredited courses, Kingston University's Department of Social Work and Social Care offers a series of seminars with guest speakers covering a broad range of topics, details will be released on their events page [here](#).
- Academics from the Social Work and Social Care department also facilitate a number of complimentary sessions/courses for the Teaching Partnership across the year. Details of these can be found on the following pages.

Post Graduate Certificate in Practice Education (PGC PE)

Kingston University's Post Graduate Certificate in Practice Education comprises two 30 credit Level 7 modules Practice Education Stage 1 (SW7010) and Practice Education Stage 2 (SW7011). The modules must be taken sequentially, and each module involves providing a learning experience for a social work learner. It is expected that trainees starting in September 2025 will take a first placement student in November 2025 (PEPS 1) followed by a final placement student in September 26 (PEPS 2). It is expected that trainees starting in March 2026 will take a Kingston student for a first placement starting in May 2026 (PEPS 1) followed by a final placement student in January 27 (PEPS 2).

What qualifications do you get and what opportunities are there for continuing professional development?

When you pass Stage 1 you will gain 30 Level 7 credits. You will progress to take Practice Education Stage 2 to be a qualified practice educator. On successful completion of both Stage 1 & 2 you will be awarded a Post Graduate Certificate in Practice Education. You can use these modules to contribute to a PG Diploma or an MA in Advanced Social Work Practice. Please contact Maria Brent, PQ Course Leader, if you are interested in discussing this m.brent@kingston.ac.uk

Costs

The full cost of each module is £1994 for the academic year 2025/26. If a trainee Practice Educator offers a placement to a Kingston University Social Work student, they will gain complimentary access to the programme as part of our commitment to high-quality professional development. The only associated cost would be for any required Practice Assessor (PA) support.

Practice Assessor: Your agency will be required to provide a PA in order for you to complete the programme.

Applying for the course

Please note that there are a limited number of places for each course, so early application is recommended. **Applications from candidates within our Primary Partner agencies will be prioritised until 6 weeks prior to the closing date for applications.** Thereafter, all applications will be processed upon receipt. Applications close six weeks prior to the start date for the Stage 1 module.

Trainees who have interrupted their studies and wish to return to complete Stage 1 or Stage 2 must contact the Course Lead before the application closing date for Stage 1 or the date specified above for Stage 2, to ensure inclusion in the student allocation to placement process.

You need to have sought employer agreement from the person managing social work placements in your organisation before applying. Locum social workers will not generally be accepted onto the programme. **As part of the application process, you will be required to complete two additional documents, a Sponsorship Agreement form and Placement Information Form.** The sponsor form will need to be completed by your employer to confirm organisational sponsorship. The Placement Information Form is to confirm suitability of the placement setting and the likely allocation of a student.

You should apply online at: [Practice Education PgCert | Kingston University London](https://www.kingston.ac.uk/pgcert-practice-education)

Closing dates for the course are aligned to the need to allocate students to trainee practice educators. **The closing date for the September 2025 cohort is 16 July 2024. The closing date for the March 2026 cohort is 31 December 2025. Applicants wishing to join or rejoin a PEPS2 module following a break must contact the postgraduate administrator and submit all required documents by 27 June 2025 for the September 2025 module and 28 August 2025 for the November 2025 module.**

If you require further details about the course, please contact the Postgraduate Programmes office. Email: pgsocialwork@kingston.ac.uk or the PGC PE Course Leader, Krisztina Kis k.kis@kingston.ac.uk

Post Graduate Certificate in Practice Education (PGC PE)

PEPS Stage 1 (SW7010)

The Practice Education 1 module is suitable for registered social workers new to the practice education role and is the first stage of the PGC Practice Education. Applicants will normally be practising at the experienced social worker level of the PCF. Trainees completing this module will be able to meet the expectations of the Practice Educator Professional Standards (2022) and will learn to supervise, teach and assess social work degree students up to, but not including the final assessment prior to qualification. Trainees are required to demonstrate this by supporting, teaching and assessing a learner, which usually entails acting as a Stage 1 practice educator to a degree in social work student on a first placement (70 days).

Trainee practice educators are required to attend 5 days teaching on Kingston Hill campus from 10-4. Regular online Practice Learning Workshops for practice educators and on-site supervisors are provided alongside the student's placement and it is strongly recommended that trainees attend these. Some online drop-in group tutorials will be available and individual tutorials are available on request. There are two intakes for the programme. See dates below

Post Graduate Certificate in Practice Education (PGC PE)

PEPS Stage 2 (SW7011)

What you will learn at Stage 2

- How to manage the provision of a final practice placement for a degree in social work student and
- How to evidence purposeful contributions to the quality assurance of placement learning and the development of an agency as a training organisation by reviewing and improving provision
- How to enable learning and professional development in practice and apply a range of supervisory models, roles and skills which recognize different learning styles and strategies and the power dynamics between the practice educator and the learner
- How to transfer practice educator skills, knowledge and values to new roles in mentoring, supervision, teaching and /or assessment
- How to manage the holistic assessment of learners in practice and demonstrate ability to make difficult holistic assessment decisions which may include marginal or failing students; mark learners' academic work and utilise a range of assessment methods
- How to analyse and critically reflect on your own values, attitudes and practice in relation to ethical practice in professional practice education in social work and show enhanced understanding of the origins and implications of discrimination and power relationships.
- How to reflect critically on, and analyse your own progress, as a practitioner and social work practice educator and analyse and evaluate research, policies and developments with respect to social work and practice education and develop your continuing professional development plan

Care Knowledge Spotlight

Please see below for some useful CareKnowledge live webinars planned over the next few months, that are free and open to all:

[Children and Hoarding: Hidden Harm, Lasting Impact](#)

Tuesday 23rd September 2025 10am-12pm

This webinar looks at the rarely discussed experiences of children who live with a parent or carer who hoards, as well as the children and adolescents who show hoarding behaviours themselves. Though research remains limited, growing awareness suggests these situations are far more common than they appear — often hidden due to shame, stigma, or fear of professional intervention.
